Norfolk, VA 23511-2699

Subject: Navy CLEAN II Program  
Contract No. N62470-95-D-6007  
Contract Task Order 153  
Draft Decision Document for SWMUs 11, 16, 16GC, 21, 22, and 26  
Naval Air Station, Oceana

Dear Tim:

Enclosed are two copies of the *Draft Decision Document for SWMUs 11, 16, 16GC, 21, 22, and 26, NAS Oceana, Virginia Beach, Virginia* for team review.

The NAS Oceana Tier I Partnering Team has determined that this is a no action/no further action DD for these SWMUs, based on the findings of the Phase I and III RFIs (human health) and the Draft SWMU 2B et al ERA. This document is being submitted based on the team's consensus agreement that the status of these SWMUs is no action/no further action, as agreed to in principle by the ecological subgroup during their meeting held on July 6, 2001 at Dahlgren, VA. The Navy will submit a comprehensive response to comments received on the SWMUs 2B et al ERA in August 2001.

Please do not hesitate to contact me at (703) 471-6405, x 4355 if you have any questions/concerns.

Sincerely,

CH2M HILL

  
Jayanti A. Sachdev, P.E.  
Activity Manager
